Subject: Silicon Ranch Solar Project

Dear Ms Bachman:

I write on behalf of the Litchfield Board of Selectmen, the governing body of the town, who at its regular meeting on August 20, 2019, voted unanimously to fully support this solar project. This 20 megawatt project, located 1/3 in Torrington and 2/3 in Litchfield, involves six parcels and 167 acres total with the portion in Litchfield located on Town Farm Road and Wilson Road.

The Board of Selectmen urges the Connecticut Siting Council to look favorably upon this solar project as it moves through the approval process.

Sincerely,

A handwritten signature in cursive script, appearing to read "Leo Paul, Jr.", written over the typed name.

Leo Paul, Jr.
First Selectman
