Subject: RE: Petition No. 1443A - SR North Stonington, LLC - Request Temporary Modification

Attorney Bachman

One quick correction. In my cover letter attached to the Temporary Modification request filed last Friday, I incorrectly state that the temporary replacement pipes would be a reinforced concrete pipes. In fact, as referenced on the plans and APT Report included in that filing, the temporary pipes will be High Density Polyethylene (HDPE) pipes.

Sorry for the confusion.

Ken
