Re: Petition No. 1445 Notice of Completion

Dear Attorney Bachman:

On June 18, 2021 Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice for proposed modifications to its existing 1588 Line that extends from Wallingford Electric’s Colony Substation, located at 15 Old Colony Road, Wallingford and Wallingford Electric’s North Wallingford Substation, located at 130 Thorpe Avenue, Wallingford. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on June 1, 2022.

Eversource will be providing one original and two hard copies in the mail for the Council’s records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", written in a cursive style.
