Re: **PETITION NO. 1454** - The Connecticut Light and Power Company d/b/a Eversource Energy petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed modifications to its existing Mansfield Substation located at 140 North Eagleville Road, Mansfield, Connecticut and associated transmission line structure improvements. **Notice of Completion of Construction.**

Dear Attorney Bachman:

On July 30, 2021, Eversource Energy ("Eversource") received an acknowledgement from the Connecticut Siting Council ("Council") of Eversource's notice of intent to modify an existing substation facility located at 140 North Eagleville Road, Mansfield, Connecticut. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed along with a representative photograph of the facility modification. (Condition 6)

Construction was completed on July 26, 2024.

Additionally, representative photographs of the completed modifications to the existing substation facility, are included as *Attachment A*.

Eversource will be providing one original and two hard copies of this notice in the mail for the Council's records.

Sincerely,

Deborah Denfeld
