RE: **PETITION NO. 1459** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed modifications to its existing Shunock Substation located at 25 Pendleton Hill Road, North Stonington, Connecticut and related electric transmission line structure improvements.

Dear Christine Farrell:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated March 22, 2023 regarding temporary changes to work hours for the above-referenced Declaratory Ruling that was issued by the Council on October 8, 2021.

Pursuant to Condition No. 1 of the Council's Declaratory Ruling, your request to perform work from 7:00 AM until 7:00 PM on Sunday, March 26, 2023 is hereby approved. The Sunday work hours are necessary to complete transformer work.

This approval applies only to the request for changes to work hours dated March 22, 2023.

Please be advised that deviations from the standards established by the Council in the Declaratory Ruling are enforceable under the provisions of Connecticut General Statutes § 16-50u.

Thank you for your attention and cooperation.

Sincerely,

Dear Ms. Bachman:

Eversource Energy is requesting Siting Council staff review and approval for extended work hours of 7:00 a.m. to 7:00 p.m., 3/26/2023. Sunday work is required because the transformer is under vacuum to keep moisture out of transformer. Once the seal is broken, which was done yesterday, seven straight days are needed to complete the work.

We have notified the Town of North Stonington of our intention to submit this request to the Council. We will continue to work with the Town and nearby residents to apprise them of the work and to resolve any potential conflicts or concerns.

Please do not hesitate to contact me if you have any questions regarding this request.

Sincerely,

Christine Farrell
