Re: Petition No. 1459 – Shunock Substation - Sunday Work Hours Request

Dear Attorney Bachman:

Eversource Energy is requesting Siting Council staff review and approval for extended work hours of 8:00 a.m. to 4:00 p.m., on this Sunday, December 17, for the above referenced Project. The Sunday work is necessary to allow sufficient time for the manufacturer's technician to commence operation of the Synchronous Condenser. Work will be completed in the control house, little to no noise is expected.

We have notified the Town of North Stonington of our intention to submit this request to the Council and the Town did not have any objections. We will continue to work with the Town, as well as nearby residents to apprise them of the work and to resolve any potential conflicts or concerns.

Please do not hesitate to contact me if you have any questions regarding this request.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
