**PETITIONER’S UPDATED RESPONSES TO THE FIRST SET OF
INTERROGATORIES BY THE CONNECTICUT SITING COUNCIL**

Greenskies Clean Energy, LLC (“Petitioner”) respectfully submits the following updated responses and non-privileged documentation to the First Set of Interrogatories issued by the Connecticut Siting Council (“Council”) in connection with the above-captioned matter.

General

1. *Referencing Petition pp. 19-20, of the letters sent to abutting property owners, how many certified mail receipts were received? If any receipts were not returned, which owners did not receive their notice? Were any additional attempts made to contact those property owners.*

Petitioner received certified mail receipts from seven of the ten abutting properties. The three property owners for which Petitioner did not receive certified mail receipts include: Donna and Richard Weigold, 162 Bunker Hill Road W. Cornwall, Connecticut; Roy S. Walzer, P.O. Box 577, 10 South Street, Litchfield, Connecticut; and the Cornwall Conservation Trust, c/o Barton Jones, P.O. Box 74, W. Cornwall, Connecticut. On August 17, 2021, counsel for Petitioner received an email from Mr. Jones indicating that the Cornwall Conservation Trust “received the notice” concerning the proposed project. Mr. Jones’ communication did not include any substantive comments on the proposed project. On September 14, 2021, Petitioner mailed a second round of certified notices to those three abutters, including the Cornwall Conservation Trust. Petitioner has since received a certified mail receipt from Mr. Walzer and the Cornwall Conservation Trust, but not from the Weigolds.

Respectfully submitted by,

GREENSKIES CLEAN ENERGY, LLC
