RE: **PETITION NO. 1468** – The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed Montville to Horton Cove Rebuild Project consisting of the replacement and reconductoring of electric transmission line structures along approximately 0.6 mile of its existing Nos. 100 69-kilovolt (kV) and No. 1410 115-kV electric transmission lines within existing Eversource electric transmission line right-of-way between Horton Cove and Montville Substation in Montville, Connecticut, and related electric transmission line and substation improvements.

Dear Sue Bellion:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated October 11, 2022, regarding temporary changes to work hours for the above-referenced declaratory ruling that was issued by the Council on January 28, 2022.

Pursuant to Condition No. 1 of the Council's Declaratory Ruling, your request to perform work from 8:00 a.m. until 7:00 p.m. on the following Sundays: October 16, October 23, October 30, November 6, November 13, and November 20, 2022 is hereby approved. The Sunday work hours are necessary to complete work that was delayed due to inclement weather, delays in receiving materials and unforeseen underground obstructions.

This approval applies only to the request for changes to work hours dated October 11, 2022.

Please be advised that deviations from the standards established by the Council in the Declaratory Ruling are enforceable under the provisions of Connecticut General Statutes § 16-50u.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director

MB/MP

c: Kathleen Shanley, Manager – Transmission Siting, Eversource Energy (kathleen.shanley@eversource.com)
The Honorable Ronald K. McDaniel, Mayor, Town of Montville (rmcdaniel@montville-ct.org)

Subject: Petition 1468: Request for Extended Sunday Hours

Dear Ms. Bachman:

We are requesting staff review and approval for extended work hours for the above referenced project on the following Sundays: October 16th, October 23rd, October 30th, November 6th, November 13th and November 20th from 8AM-7PM. Eversource is requesting these additional work hours in order to continue the relay replacement and cut over process in order to complete the work within the current outages. This work has been delayed due to setbacks and resequencing of activities due to weather, delays in receiving materials and encountering unforeseen underground obstructions.

The work during the extended hours will be entirely within the control enclosure. The only noise generated will be by the vehicles driven by the workers to arrive and leave the substation.

We have notified the Town of Montville of our intention to submit this request to the Council and they do not object to these extended work hours.

Please do not hesitate to contact me should you have any questions regarding this request.

Thank you for your consideration of this matter.

Best,

Sue
