Subject: FW: Council Decision on Petition 1468: Request for Extended Sunday Hours

Dear Ms. Bachman:

We are requesting a modification to our request and subsequent approval (attached for reference) for extended Sunday hours within the Montville Substation.

On Sunday, November 6th and Sunday, November 13th the work will include testing outside of the control enclosure, but will not require any additional equipment or trucks to do so.

We have notified the Town of Montville of this modification to our work and they do not object.

Please do not hesitate to contact me should you have any questions regarding this request.

Thank you for your consideration of this matter.

Best,

Sue
