RE: Petition #1469 -- LSE Indus LLC Petition for a Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need is Required for the Construction, Operation and Maintenance of Solar Photovoltaic Facility in North Canaan, Connecticut

Dear Attorney Bachman:

On behalf of petitioner LSE Indus LLC (“Lodestar”), I am writing to follow up on previous correspondence submitted on June 14, 2022 and your subsequent response on June 21, 2022. Please accept this correspondence as a withdrawal of the requests made in the June 14, 2022 (with the exception of the submission of Lodestar’s stormwater permit). Lodestar will re-submit the minor plan revisions and additional information for the Council’s consideration in the near future.

Please contact me directly if you have any questions.

Sincerely,

Carrie Larson Ortolano
