RE: **PETITION NO. 1470** – Cellco Partnership d/b/a Verizon Wireless, New Cingular Wireless PCS, LLC and T-Mobile Northeast, LLC joint petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed installation of a temporary telecommunications facility and associated equipment located at Sacred Heart University, 5151 Park Avenue, Fairfield, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than December 1, 2021. To help expedite the Council's review, please file individual responses as soon as they are available.

Please submit an original and 15 copies to the Council's office and an electronic copy to siting.council@ct.gov. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Please be advised that the original and 15 copies are required to be submitted to the Council's office on or before the December 1, 2021 deadline.

Any request for an extension of time to submit responses to interrogatories shall be submitted to the Council in writing pursuant to §16-50j-22a of the Regulations of Connecticut State Agencies.

Sincerely,

Melanie A. Bachman
Executive Director

MB/lm

Kristen Motel, Esq.

Petition No. 1470
Interrogatories
November 17, 2021

1. What is the height above ground level (agl) of the Pierre Toussaint Hall roof?
2. At what heights agl are each of the Petitioners' existing non-tower antenna arrays?
3. Referencing Attachment 2, the Site Plan on Sheet L-2 defines the lease area as 1,776 square feet. The Compound Plan on Sheet L-2 defines the fenced compound area as 2,456 square feet. Please clarify.
4. Referencing Attachment 2, the Compound Plan on Sheet L-2 depicts a proposed retaining wall along the north, west and south sides of the compound area. What is the height, composition and purpose of the proposed retaining wall? Is it temporary or permanent?
5. Referencing Attachment 2, the Site Plan on Sheet L-1 depicts a proposed utility pole. Please explain.
6. Would installation of the temporary facility require any grading? Please explain.
7. How would construction equipment access and install the proposed underground utility connection?
8. Referencing Attachment 1, is excavation of the entire 5-foot wide utility easement depicted on the Site Schematic proposed at this time? If not, what portion of the utility easement at what length would be excavated to interconnect the proposed temporary facility?
9. What is the distance and direction of the proposed temporary facility location from the approved permanent facility location?
10. What is the distance and direction of the proposed temporary facility location from the nearest off-site/off-campus residence?
11. What is the distance and direction of the on-site wetland described in Finding of Fact No. 109 in Docket No. 495 from the proposed temporary facility location?
12. What is the total length of the proposed access to the temporary facility?
13. Is the temporary facility and associated equipment expected to meet applicable noise standards at the property lines?
14. Since the filing of notice, did Petitioners receive any comments on the proposed temporary facility location? If so, please provide a summary of the comments received.
15. Would any of the Petitioners maintain backup power at the proposed temporary facility site? If so, please provide the type of backup power and hours of run time.

16. What is the estimated cost of the proposed temporary facility installation?

17. If the temporary facility is approved, when would construction commence and approximately how long would construction take to complete?
