Dear Ms. Bachman:

Eversource Energy is requesting Siting Council staff review and approval for extended work hours of 8:00 a.m. to 6:00 p.m. on Sunday, September 11, 2022 for the above-referenced project. The extended hours are needed in order to complete planned work that was delayed due to the inability to work during the excessive rainfall event that occurred on September 5th and 6th. The work hours requested are 8:00 a.m. to 6:00 p.m. We have notified the Town of Ledyard of our intention to submit this request to the Council. We will continue to work with the Town and nearby residents to apprise them of the work and to resolve any potential conflicts or concerns.

Please do not hesitate to contact me if you have any questions regarding this request.

Best regards,
Andrew
