Subject: Petition 1475 - ECT - Montville Junction to Ledyard Junction

Good morning, Attorney Bachman:

On behalf of The Connecticut Light and Power Company doing business as Eversource Energy, I respectfully request an extension of time for responses to the interrogatories posed by the Council for Petition 1475, dated January 20, 2022, from no later than February 3, 2022 to no later than February 10, 2022. This request is necessary to allow additional time to develop and review responses given Eversource Energy's current focus on preparation for the impending storm and anticipated restoration.

Thank you for your consideration.
