Re: PETITION NO. 1483 – The Connecticut Light and Power Company d/b/a Eversource Energy petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed Dooley Substation to Scoville Rock Substation and Middletown Substation Structure Replacement Project consisting of the replacement and reconductoring of electric transmission line structures along approximately 9 miles of its existing Nos. 387 and 3041 345- kV and No. 1050 115- kV electric transmission lines within existing Eversource electric transmission line right-of-way in Middletown, Connecticut, and related electric transmissionline and substation improvements.

Dear Ms. Bachman:

Pursuant to Section 16-50j-62(b)(1) of the Regulations of Connecticut State Agencies and in accordance with Condition 5 of the Connecticut Siting Council's approval of the above-referenced petition, dated May 13, 2022, Eversource hereby provides written notice to the Council that civil construction work (improvement and construction of access roads and work pads) will commence on May 30, 2022, provided that all other pre-construction requirements of the approval have been satisfied.
