RE: **PETITION NO. 1488** - T-Mobile Northeast, LLC (T-Mobile) petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for proposed modifications to an existing telecommunications facility on electric transmission line structure No. 3147, owned by Eversource Energy within an existing Eversource Energy electric transmission line right-of-way located at 140 Duncaster Road, Bloomfield, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on February 15, 2022.

According to Section 16-50j-39a of the Regulations of Connecticut State Agencies, “no declaratory ruling shall be issued to any person until a complete petition containing all information deemed relevant by the Council has been filed.”

Staff has reviewed this petition for completeness and has identified a deficiency. The Council was not able to process the filing fee check #311, as it was returned by the bank for stop payment. A copy of the documentation received from the bank is attached.

Therefore, the petition is incomplete at this time. The Council recommends that a valid filing fee check in the amount of \$625 be submitted by March 21, 2022. If additional time is needed to submit the requested filing fee, please submit a written request for an extension of time prior to March 21, 2022.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman  
Executive Director/Staff Attorney
