RE: **PETITION NO. 1489** – NRG Curtailment Solutions, Inc. petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176, §16-50i and §16-50k, that the installation of four 2.46-megawatt natural gas-fired emergency generating devices and associated equipment inside two existing buildings located on the ESPN Campus at 935 Middle Street, Bristol, Connecticut are exempt from Connecticut Siting Council jurisdiction and would not have a substantial adverse environmental effect.

Dear Chairwoman Triano:

Pursuant to Connecticut General Statutes §4-176 and §16-50k, the Connecticut Siting Council (Council) is in receipt of a petition for a declaratory ruling that the installation of four 2.46-megawatt natural gas-fired emergency generating devices in the City of Bristol are exempt from Council jurisdiction and would not have a substantial adverse environmental effect. The Town of Southington is within 2,500 feet of the site where the emergency generating devices are located.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about February 22, 2022, written notice of the intent to file the petition for a declaratory ruling was provided to the Council, the property owner of record, abutting property owners and the chief elected official of the municipality in which the four 2.46-megawatt natural gas-fired emergency generating devices are located and the chief elected official of any municipalities within 2,500 feet of the site.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by March 24, 2022.

Thank you for your consideration.

Sincerely,

Melanie A. Bachman
Executive Director

MB/lm
