Re: PETITION NO. 1504 – New Cingular Wireless PCS, LLC (AT&T) petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed installation of a small wireless facility on a new 41-foot 3-inch AT&T-owned utility pole that is not used principally for electric distribution service and associated equipment to be located along the public right-of-way adjacent to 45 Connair Road, Orange, Connecticut

Dear Ms. Bachman:

This letter is respectfully submitted on behalf of New Cingular Wireless PCS, LLC (AT&T) in connection with the above-referenced Petition No. 1504 approved by the Siting Council on June 9, 2023.

AT&T recently learned that the proposed utility pole for the installation of AT&T's small cell facility is actually located within the public right-of-way and not on private property. Moreover, United Illuminating advised AT&T that it will take ownership of the new utility pole and use it for electric distribution service. As such, PURA has jurisdiction over AT&T's proposed small cell facility, and AT&T will seek PURA approval for the above-referenced small cell facility.

Thank you and the Siting Council for your consideration of AT&T's Petition and this information.

Very truly yours,
