Re: PETITION NO. 1508- Enfield Solar One, LLC and VCP, LLC d/b/a Verogy petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.0 megawatt AC solar photovoltaic generating facility located at 110 North Street, Enfield, Connecticut, and associated electrical connection.

Dear Ms. Bachman:

Pursuant to condition #11 of the declaratory ruling for the subject Petition, we are hereby informing the Council that construction of the Enfield One facility located at 110 North Street in Enfield was recently completed and received Permission to Operate from Eversource as of 5/15/2024. Site stabilization activities are ongoing, in accordance with the CT DEEP Stormwater General Permit, and will continue to the satisfaction of those permit requirements. As construction is now complete, we will not be submitting any further construction progress reports to the Council. If you have any questions or require any additional information, feel free to contact us. Thanks.

Sincerely,

James Cerkanowicz, PE
Enfield Solar One, LLC
