Dear Attorney Bachman,

The Connecticut Green Bank and CEFIA Holdings, LLC hereby submit a Petition for a Declaratory Ruling with the Connecticut Siting Council for the proposed construction, operation and maintenance of a 1.8 MWAC ground-mounted solar photovoltaic power generation facility to be located at the State of Connecticut Department of Corrections' (DOC's) Osborn Correctional Institution on Bilton Road in Somers, Connecticut (Petition).

I have attached the original plus 15 hard copies of the Petition, as well as a thumb drive containing a digital copy. As previously discussed, the Connecticut Green Bank is requesting a waiver of the filing fee pursuant to the Regulations of Connecticut State Agencies (RCSA) §16-50j-3 for the DOC's power requirements.
