Re: **PETITION NO. 1531** The Connecticut Light and Power Company d/b/a Eversource Energy petition for declaratory ruling for the proposed 1200/1300 Line Structure Replacement Project in the Towns of Windsor Locks and East Windsor

Dear Attorney Bachman:

On September 30, 2022, Eversource Energy (“Eversource”) received a ruling the Connecticut Siting Council (“Council”) ruled that that proposed 1200/1300 Line Structure Replacement Project would not have a substantial environmental effect. Among other conditions of the ruling, the Council required that Eversource submit the following item:

- Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed.

Construction was completed on May 16, 2023.

Additionally, a representative photograph of the completed Project, is included as *Attachment A*.

Eversource will be providing one original and two hard copies of this notice in the mail for the Council’s records.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
