Re: Notice to Agencies and Officials

Dear :

ReNew Developers, LLC ("ReNew") is undertaking a project that involves the installation of a fuel cell system with a capacity up to 4.99-megawatts and associated equipment (collectively, the "Project") to be located at 42 Old Amston Road, Colchester, Connecticut (the "Property").

This letter is to provide you notice that on or about July 28, 2022, ReNew intends to submit to the Connecticut Siting Council (the "Council") a petition for a declaratory ruling, pursuant to Connecticut General Statutes Sections 4-176 and 16-50k that no Certificate of Environmental Compatibility and Public Need is necessary, for the proposed construction, maintenance, and operation of the Project. Pursuant to RCSA Section 16-50j-40, ReNew is notifying you of its intentions to submit the petition.

The Council will undertake a thorough review of the proposed Project and consider input from interested stakeholders. If the Project is approved by the Council, ReNew anticipates starting construction in September 2023, and commercial operation of the facility will be expected to commence in 2024. This schedule is approximate and subject to change. Please note this work will not interrupt electric service to homes or businesses.
