Dear Chairperson Larson:

During a public meeting of the Connecticut Siting Council (Council) held on July 20, 2023, the Council voted to grant Renew Developers, LLC's June 12, 2023 Motion to Reopen and Modify the Council's October 14, 2022 Declaratory Ruling on the above-referenced matter based on changed conditions to consider the construction, maintenance and operation of a proposed 18-megawatt fuel cell facility that is also associated with the adjacent data center located at 42 Old Amston Road in Colchester. The Town of Hebron is within 2,500 feet of the proposed site.

Should you have any questions or comments regarding the above-referenced reopened declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by August 19, 2023.

Thank you for your consideration.

Sincerely,
