Re: **Petition 1535** - The Connecticut Light and Power Company d/b/a Eversource Energy petition for a declaratory ruling for the Ledyard Junction to Mystic Substation Upgrade Project

Dear Attorney Bachman:

On December 23, 2022, Eversource Energy (“Eversource”) received a ruling from the Connecticut Siting Council (“Council”) stating that the proposed Ledyard Junction to Mystic Substation Upgrade Project would not have a substantial environmental effect. Among other conditions of the ruling, the Council required that Eversource submit the following item:

- Within 45 days after completion of construction, the Council shall be notified in writing that the construction has been completed

Construction was completed on October 4, 2023.

Additionally, a representative photograph of the completed Project is included as *Attachment A*.

Eversource will hand deliver to your office this afternoon two hard copies of this notice for the Council’s records.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
