RE: **PETITION NO. 1539** – New Cingular Wireless PCS, LLC (AT&T) petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed installation of three small wireless facilities on new wood poles that are less than 50 feet in height and associated equipment at Durham Fairgrounds, 24 Townhouse Road, Durham, Connecticut.

Dear Attorney Patrick:

The current Federal Communications Commission Third Report and Order deadline for a final decision on the above-referenced small wireless facility petition for a declaratory ruling is November 27, 2022.

Due to the interruption of the Connecticut Siting Council's (Council) regular meeting schedule by the Thanksgiving holiday on November 24, 2022, the Council's next regularly scheduled meeting thereafter is December 8, 2022 and the Council will need additional time to render a final decision.

The Council hereby respectfully requests AT&T to respond in writing before the close of business on November 3, 2022 as to whether AT&T would consent to an extension of time to December 23, 2022 to render a final decision on this petition for a declaratory ruling.

If you have any questions about Council procedures, please do not hesitate to contact me at the Council office at 860-827-2935.

Thank you.

Sincerely,

Melanie A. Bachman  
Executive Director
