**Re: PETITION NO. 1541- North Haven Solar One, LLC** petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 1.625 megawatt AC solar photovoltaic generating facility located at 122 Mill Road, North Haven, Connecticut, and associated electrical connection.

Dear Ms. Bachman:

Pursuant to condition #10 of the declaratory ruling for the subject Petition, we are hereby informing the Council that construction of the North Haven Solar One facility located at 122 Mill Road in North Haven was recently completed and received Permission to Operate from United Illuminating as of 3/8/2024. Site stabilization activities are ongoing, in accordance with the CT DEEP Stormwater General Permit, and will continue to the satisfaction of those permit requirements. As construction is now complete, we will not be submitting any further construction progress reports to the Council. If you have any questions or require any additional information, feel free to contact us. Thanks.

Sincerely,

James Cerkanowicz, PE
