RE: PETITION NO. 1560 - The Connecticut Light and Power Company d/b/a Eversource Energy (Eversource) petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed Norwalk Bridge Transmission Relocation Project that consists of the relocation and rebuild of two existing overhead 115-kilovolt (kV) electric transmission lines from railroad catenaries and existing structures within the Connecticut Department of Transportation corridor to an underground configuration within roads and across the Norwalk River for approximately .66 miles between existing Structure No. 522WN north of Monroe Street and Structure No. 536WN north of Van Zant Street in Norwalk, Connecticut, and related electric transmission line improvements.

Dear Mayor Rilling:

Pursuant to Connecticut General Statutes §4-176 and §16-50k, the Connecticut Siting Council (Council) is in receipt of a petition for a declaratory ruling to relocate and rebuild two existing electric transmission lines in the City of Norwalk.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about February 17, 2023, written notice of the intent to file the petition for a declaratory ruling was provided to the Council, the property owner of record, abutting property owners and the chief elected official of the municipality in which the existing electric transmission lines are located.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by March 19, 2023.

Thank you for your consideration.

Sincerely,

Melanie A. Bachman
Executive Director
