Subject: Petition 1560

March 15, 2023

Good afternoon, Melanie Bachman,

As part of the overall plan to rebuild Norwalk's Walk Bridge, Eversource began conversations with Norwalk City officials about their need to relocate the transmission lines. Since then, the City and Eversource have worked together to develop the preferred underground route within City streets and beneath the Norwalk River, which we believe is the best possible solution given the constraints of the highly developed South Norwalk area of the City. We appreciate the time Eversource has spent working with the City of Norwalk to minimize community impacts while rerouting this critical energy infrastructure.

Sincerely,

A handwritten signature in black ink that reads "Harry W. Rilling".

Mayor Harry Rilling
