**RE: PETITION NO. 1563** - Bloom Energy Corporation petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a customer-side 250-kilowatt fuel cell facility and associated equipment to be located at Manchester Community College, 14 Great Path, Manchester, Connecticut.

Dear Ms. Bachman:

At a public meeting held on May 25, 2023, the Connecticut Siting Council (Council) considered and ruled that the above-referenced proposal meets air and water quality standards of the Department of Energy and Environmental Protection and would not have a substantial adverse environmental effect, with certain conditions.

As requested per condition #5 of the declaratory ruling, we are respectfully notifying the Council that commencement of site construction activities will take place within two weeks from this dated notice.

Please do not hesitate to contact us if you require any further information. Thank you for your time.

Respectfully,
