As parties to petition 1566 this email is to request that we receive a copy of all correspondence sent to the Siting Council members for the August 31, 2023 scheduled meeting. This request is to specifically include all staff reports or draft staff reports submitted to the Council. We have noted in previous hearings that approximately 7 days prior to the hearing, the Council is provided with a draft staff report that is not displayed on the Council website.

As parties to this petition, we request to be provided with a copy of these documents in advance of the scheduled hearing so that we may review the staff recommendations prior to the hearing and express objections, request clarifications, or suggest corrections during the discussion portion of the hearing should we deem it necessary to do so.
