Re: Petition No. 1577 – Frost Bridge to Noera Rebuild Project - Request for Sunday Work Hours

Dear Attorney Bachman:

Eversource Energy is requesting Siting Council staff review and approval of Sunday work hours on multiple dates from January through February from 7:00 a.m. to 5:00 p.m. For each of the requested Sundays, Eversource is requesting authorization to conduct civil, drilling, wire pulling, and structure replacement activities. The project has been delayed due to a number of factors and the request for multiple extended workdays is necessary to allow the project to be completed within the scheduled outage window on the 1050/1163 Lines.

The specific dates subject of this request are:

- January 28, 2024;
- February 4, 2024; and
- February 11, 2024;

We have discussed the proposed schedule changes with the affected municipalities and they have no objections to the proposed work schedule. We will continue to work with the affected municipalities and nearby abutters to apprise them of the work and to resolve any potential conflicts or concerns. Please do not hesitate to contact me if you have any questions regarding this request.

Sincerely,

Deborah Denfeld
