**Re: CT SOLAR PDF, LLC –Petition for Declaratory Ruling for the Construction,
Operation and Maintenance of a 1.70 MW(ac) Solar Photovoltaic Electric
Generating Facility at the Medtronic Facility located in North Haven, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Matthew Melewski

**Re: CT SOLAR PDF, LLC –Petition for Declaratory Ruling for the Construction,
Operation and Maintenance of a 1.70 MW(ac) Solar Photovoltaic Electric
Generating Facility at the Medtronic Facility located in North Haven, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Matthew Melewski

**Re: CT SOLAR PDF, LLC –Petition for Declaratory Ruling for the Construction,
Operation and Maintenance of a 1.70 MW(ac) Solar Photovoltaic Electric
Generating Facility at the Medtronic Facility located in North Haven, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Matthew Melewski

**Re: CT SOLAR PDF, LLC –Petition for Declaratory Ruling for the Construction,
Operation and Maintenance of a 1.70 MW(ac) Solar Photovoltaic Electric
Generating Facility at the Medtronic Facility located in North Haven, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Matthew Melewski

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

**Carl J. Amento, Executive Director
South Central Regional Council of Governments
127 Washington Avenue
4th Floor West
North Haven, CT 06473**

**Re: CT SOLAR PDF, LLC –Petition for Declaratory Ruling for the Construction,
Operation and Maintenance of a 1.70 MW(ac) Solar Photovoltaic Electric
Generating Facility at the Medtronic Facility located in North Haven, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the Council), this letter serves as notice that CT SOLAR PDF, LLC intends to file a petition for declaratory ruling with the Council on or shortly after April 1, 2023. This petition will request approval of the construction, operation and maintenance of a 1.70-megawatt solar photovoltaic system at the Medtronic facility consisting of a ground mount, roof mount, and parking canopy including associated equipment, site improvements and interconnection as shown in the attached site plan (the Project).

The Project is located in southcentral North Haven, on two parcels of land that are located between McDermott Road, Quinnipiac Avenue and Middletown Avenue. These parcels are known as Map Block Lot (MBL) numbers: 003 007 and 006 029.

The Project consists of ground, roof, and canopy mounted solar modules, string inverters; distribution level collector lines; step-up transformers; switch gear and security fencing. The Project will be interconnected with Medtronic's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of North Haven. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Matthew Melewski
