

EXHIBIT P

Photographic Site Documentation

House and Garage

East view of the house and garage at 428 Bethmour Road.

Field

Southeast view of the open field containing the house, with scrub growth.

Stone Wall – Field Edge

Southwest view of weakly developed stone wall alignment separating the open field in background from the wooded section of the property. A piece of oxidized farm equipment rests on the wall, scale bar five feet.

Stone Wall – Wooded Section

Figure 9: Southwest view of stone wall alignment in the wooded section of the project area.
