**Subject:** PETITION No. 1583

Dear Ms. Bachman-

I OPPOSE this project. I am REQUESTING A HEARING on PETITION NO. 1583 for a 0.999-megawatt AC solar photovoltaic electric generating facility at 428 Bethmour Road, Bethany, CT for the following reasons:

- This is a residentially zoned area and the proposal is for a commercial facility.
- All residents of Bethany have well water. We must protect the water supply and aquifers.
- I have invested a great deal of money into my home and property and do not want the value to decline.
- My neighbors and I have collected more than 800 signatures in an online petition from community members who also oppose this project.

Sincerely,

Jialing Mao and Qing Liu
