July 22, 2023

Dear Attorney Bachman:

I am writing to request a hearing on petition PE-1583, a proposal to construct a commercial 0.999 megawatt ground-mounted solar photovoltaic facility at 428 Bethmour Road, Bethany, CT. My concerns are expressed in a letter submitted to the Council on July 21, 2023. They pertain to the following:

1. Site Location
2. Effect on Abutting and Neighboring Home Resale Values
3. Potential Contamination of Well Water
4. Noise Level
5. Designation as an "Agrivoltaic" Project
6. Fencing
7. Lack of Notice of Intent to File the Petition for a Declaratory Ruling

My neighbors and I have collected more than 800 signatures in an online petition in support of opposing this project.

Sincerely,

Dominick Scaramuzzino, PhD
