Subject: Petition No. 1583 428 Bethmour Road, Bethany, CT

Dear Chairperson Bachman,

I am requesting a hearing on Petition No. 1583 for 0.999-megawatt AC solar photovoltaic electric generating facility at 428 Bethmour Road, Bethany, CT for the following reasons:

1. the petition as proposed includes land which is not owned by the property owner and is actually owned by an adjacent property owner.
2. the petition failed to provide adequate notice to all impacted and adjacent property owners
3. the proposed solar farm is located in the middle of a residential area when there is another location in town which is more appropriate.
4. the size of this land to be used for this project makes it appropriate for decision making to be handled on the local level and not by the Siting Council.

Sincerely,

Kathryn Sylvester
