RURAL BETHANY ASSOCIATION’S RESPONSES TO CONNECTICUT SITING COUNCIL’S PRE-HEARING INTERROGATORIES

The undersigned, on behalf of the Rural Bethany Association (the “Association”), hereby provides the following responses to the pre-hearing interrogatories filed by the Connecticut Siting Council (the “Council”).

1. Provide the names and addresses of the members of the Rural Bethany Association.

ANSWER: please see the Association’s most recent member list attached hereto as Exhibit A.

2. The Rural Bethany Association’s request for intervenor/ CEPA intervenor status, dated August 23, 2023, refers to a DEEP Natural Diversity Database Determination letter dated November 17, 2020. What property does the letter refer to? Provide a copy of the letter.

ANSWER: The Association's reference to the DEEP Natural Diversity Database Determination letter dated November 17, 2020 in its intervention petition was specifically limited to the Northern Long-eared bat. However, after further discussions with the State of Connecticut, the Association does not intend to assert any claims with respect to the Northern Long-eared bat due to DEEP's updated Natural Diversity Database Map dated July 24, 2023 attached hereto as Exhibit B.

Respectfully Submitted,

RURAL BETHANY ASSOCIATION

DESCRIPTION: The Rural Bethany Association ("RBA") is a voluntary organization consisting of residents living in the Town of Bethany, who are dedicated to protecting state and local natural resources and maintaining the existing separation of residential and industrial/commercial land uses in the Town of Bethany. RBA accomplishes this balance by maintaining a presence at town meetings and reviewing the minutes of commission meetings.
