Re: Notice to Agencies and Officials

Dear \_\_\_\_:

Endurant Energy is undertaking a project that involves the installation of a 4.9-megawatt battery energy storage system and associated electrical interconnection (collectively, the “Project”) to be located at 508 North Colony Street, Meriden, Connecticut.

This letter is to provide you notice that on or about July 14, 2023, Endurant Energy intends to submit to the Connecticut Siting Council (the “Council”) a petition for a declaratory ruling, pursuant to Connecticut General Statutes Sections 4-176 and 16-50k, that no Certificate of Environmental Compatibility and Public Need is necessary, for the proposed construction, maintenance, and operation of the Project. Pursuant to Section 16-50j-40 of the Regulations of Connecticut State Agencies, Endurant Energy is notifying you of its intent to submit the petition.

The Council will undertake a thorough review of the proposed Project and consider input from interested stakeholders. If the Project is approved by the Council, Endurant Energy anticipates starting construction in spring 2024, and commercial operation of the facility will be expected to commence by the end of 2024. This schedule is approximate and subject to change. Please note this work will not interrupt electric service to homes or businesses.

If you would like more information concerning the proposed Project, please visit the Council’s website at <https://portal.ct.gov/CSC>. Information about the Project can be found under “Pending Matters.” In the alternative, you may call me at 203.772.7787 for additional information.

Very truly yours,

Bruce L. McDermott

Re: Notice to Owners of Property Abutting the 4.9-megawatt Battery Energy Storage System to be Located at 508 North Colony Street, Meriden, Connecticut, and Associated Electrical Interconnection

Dear Sir or Madam:

Endurant Energy is undertaking a project that involves the installation of a 4.9-megawatt battery energy storage system and associated electrical interconnection (collectively, the "Project") to be located at 508 North Colony Street, Meriden, Connecticut.

Since the Project abuts or is located near your property, Endurant Energy is committed to keeping you informed about the Project. This letter is to provide you notice that Endurant Energy intends to submit to the Connecticut Siting Council (the "Council") a petition for a declaratory ruling, pursuant to Connecticut General Statutes Sections 4-176 and 16-50k that no Certificate of Environmental Compatibility and Public Need is necessary, for the proposed construction, maintenance, and operation of the Project. The Council will undertake a thorough review of the proposed Project and consider input from interested stakeholders. If the Project is approved by the Council, Endurant Energy anticipates starting construction in spring 2024, and commercial operation of the facility will be expected to commence by the end of 2024. This schedule is approximate and subject to change. Please note this work will not interrupt electric service to homes or businesses.

If you would like more information concerning the proposed Project, please visit the Council's website at <https://portal.ct.gov/CSC>. Information about the Project can be found under "Pending Matters." In the alternative, you may call me at 203.772.7787 for additional information.

Very truly yours,

Bruce L. McDermott
