Re: Notice to Agencies and Officials

Dear:

Endurant Energy is undertaking a project that involves the installation of a 4.9-megawatt Battery Energy Storage System, electrical interconnection and associated equipment (collectively, the "Project") to be located at 350 Knotter Drive, Cheshire, Connecticut.

This letter is to provide you notice that on or about August 11, 2023, Endurant Energy intends to submit to the Connecticut Siting Council (the "Council") a petition for a declaratory ruling, pursuant to Connecticut General Statutes Sections 4-176 and 16-50k, that no Certificate of Environmental Compatibility and Public Need is necessary, for the proposed construction, maintenance, and operation of the Project. Pursuant to Section 16-50j-40 of the Regulations of Connecticut State Agencies, Endurant Energy is notifying you of its intent to submit the petition.

The Council will undertake a thorough review of the proposed Project and consider input from interested stakeholders. If the Project is approved by the Council, Endurant Energy anticipates starting construction during the first half of 2024, and commercial operation of the facility will be expected to commence in the second quarter of 2025. This schedule is approximate and subject to change. Please note this work will not interrupt electric service to homes or businesses.

If you would like more information concerning the proposed Project, please visit the Council's website at <https://portal.ct.gov/CSC>. Information about the Project can be found under "Pending Matters." In the alternative, you may call me at 203.772.7787 for additional information.

Very truly yours,

Bruce L. McDermott
