Subject: Requesting a public hearing

Hello!

I have reviewed pretty much every nook and cranny of the Siting Council website and I see all the guidelines for how to participate in a public hearing, but I do not see the method by which one actually requests one.

I would like to request a public hearing for [petition No. 1589](#). I will of course submit written comment, but this particular petition merits an in-person and virtual hearing.

If there's a different process I should follow to make this request, please let me know.

Thank you!
