**Re: PETITION NO. 1592 - Santa Fuel, Inc.; Pre-Hearing Submission**

Dear Ms. Bachman:

I am writing on behalf of Santa Fuel, Inc. in connection with the above-referenced petition to provide the required pre-hearing information requested by the Council. Santa Fuel, Inc. anticipates that the following witnesses will be available for cross examination by the Council during the hearing scheduled for January 11, 2024:

- Andrew Kellar, Project Developer, Santa Fuel, Inc.
- Martin Mija, Director of Engineering, Louth Callan Renewables
- Timothy Coon, P.E., Principal Civil Engineer, J.R. Russo & Associates, LLC

Mr. Coon shall be the designated representative for the public hearing.

The only exhibits are the Petition, appendices thereto, and the responses to the Council's Interrogatories, which were all previously submitted. For the purpose of the public information session, Santa Fuel, Inc. requests that the Council use the Overall Site Plan – Sheet 3 of the Site Plans provided as Exhibit 3 of the Petition as the figure depicting the proposed project. Mr. Coon will make a brief presentation of the project using this Overall Site Plan as an exhibit at the public information session.

Should you have any questions concerning the information provided above, please contact me at your convenience.

Sincerely,

Timothy A. Coon, P.E.
