RE: **PETITION NO. 1594** - Cellco Partnership d/b/a Verizon Wireless petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed installation of a small wireless telecommunications facility on the roof of the Greenwich Country Club clubhouse and associated equipment at ground level located at 19 Doubling Road, Greenwich, Connecticut. **Council Interrogatories to Petitioner.**

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than November 16, 2023. Please submit an original and 15 copies to the Council's office and an electronic copy to siting.council@ct.gov. In accordance with the State Solid Waste Management Plan and in accordance with Section 16-50j-12 of the Regulations of Connecticut State Agencies, the Council requests all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Please be advised that the original and 15 copies are required to be submitted to the Council's office on or before the November 16, 2023, deadline.

Copies of your responses are required to be provided to all parties and intervenors listed in the service list, which can be found on the Council's website under the "Pending Matters" link.

Any request for an extension of time to submit responses to interrogatories shall be submitted to the Council in writing pursuant to §16-50j-22a of the Regulations of Connecticut State Agencies.

Sincerely,

Melanie Bachman
Executive Director

MAB/CW/dll

Petition No. 1594
Cellco Partnership d/b/a Verizon Wireless
19 Doubling Road
Greenwich, Connecticut

Interrogatories
October 26, 2023

Notice

1. Referencing Petition, Section III-B, and Attachments 7 & 8, has the Town of Greenwich and/or any abutting property owners provided comments to Cellco Partnership d/b/a Verizon Wireless (Cellco) since the Petition filing? If so, please summarize the comments.

Proposed Site

2. Referring to Petition pp. 1-2, is the site for coverage or capacity needs? Provide more information as to Cellco's network objectives in this area.
3. What target areas would the proposed facility serve to improve coverage? For what target areas and/or adjacent sites would the proposed facility improve capacity and/or provide capacity relief, if applicable?
4. Provide the distance and direction of the nearest property boundary.
5. Provide the distance and direction of the nearest residential structure.

Proposed Facility and Associated Equipment

6. What is the estimated cost of the proposed project?
7. Is the project, or any portion of the project, proposed to be undertaken by state departments, institutions or agencies, or to be funded in whole or in part by the state through any contract or grant?
8. Provide typical construction workdays and hours, and the anticipated duration of construction.
9. Referring to Petition p. 4, how would the faux chimney screens be maintained throughout the useful life of the facility (ex. painting to match the existing chimneys)?
10. Provide a photograph of the existing screen fence behind which the proposed ground equipment would be installed.
11. What is the height of the existing screen fence that would enclose the ground cabinets? What is the height of the ground cabinets?
12. What limitations, if any, would the proposed facility design create for any future upgrades? Explain.

Public Safety

13. Would the proposed equipment installation be capable of supporting text-to-911 service and comply with federal E911 requirements and the Warning, Alert and Response Network Act of 2006?
14. What measures are proposed for the site to ensure security and deter vandalism? (Including alarms, gates, locks, etc.)
15. Identify the safety standards and/or codes by which equipment, machinery or technology that would be used or operated at the proposed facility.
16. Referring to Petition Site Plan C-4, describe how the existing chimney would be removed.
17. Referring to Petition Site Plan C-4, what building material was used to construct the existing chimney that is to be removed? Is the existing chimney to be removed a functioning chimney? Would interior construction and modifications also be required for its removal and the installation of the faux chimney? Explain.

Emergency Backup Power

18. Referring to Petition Site Plan C-2,
 - a. does the proposed facility have an emergency backup power battery cabinet? If yes, what is the anticipated run time of the battery?
 - b. provide information including run time, fuel type and fuel containment system for the new country club generator.
