RE: PETITION NO. 1595 - HyAxiom, Inc. petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a grid-side 4.14-megawatt fuel cell facility and associated equipment to be located at 35 North Main Street, Ansonia, Connecticut, and associated electrical interconnection. **Incomplete Notice.**

Dear John Prinssen:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on October 13, 2023.

According to Regulations of Connecticut State Agencies (RCSA) §16-50j-39a, "No declaratory ruling shall be issued to any person until a complete petition containing all information deemed relevant by the Council has been filed."

Staff has reviewed this petition for completeness and has identified the following deficiencies:

- a) Pursuant to RCSA §16-50j-40, "Prior to submitting a petition for a declaratory ruling to the Council, the petitioner shall, where applicable, provide notice to each person other than the petitioner appearing as record as an owner of property which abuts the proposed primary or alternative sites of the proposed facility, each person appearing of record as an owner of the property or properties on which the primary or alternative proposed facility is to be located, and the appropriate municipal officials and government agencies. Proof of such notice shall be submitted with the petition for declaratory ruling." The following persons/entities were not notified:
 - Connecticut Attorney General
 - State agencies and officials listed in Connecticut General Statutes §16-50j(g) including the Connecticut Airport Authority
 - Naugatuck Valley Council of Governments
 - City of Ansonia Inland Wetlands Commission and Conservation Commission
- b) The abutters map provided within the petition does not label the parcels for comparison with the list of abutters provided in Attachment 12. Provide an abutters map that includes labels for cross-referencing with the abutters list.

Therefore, the petition is incomplete at this time. The Council recommends that HyAxiom, Inc. provide proof of service of a copy of the petition on the above-listed agencies and officials, and an abutters map with addresses that correspond to the information provided in Petition Attachment 12, on or before November 24, 2023. If additional time is needed to provide the required information, please submit a written request for an extension of time prior to November 24, 2023.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
