**MOTION FOR PROTECTIVE ORDER**

USS Torrington Solar, LLC (“USS”) respectfully requests that the Connecticut Siting Council (“Council”) issue a Protective Order to protect certain confidential information which will be provided in response to the Council’s request for interrogatories dated December 6, 2023. Specifically, interrogatory request No. 4, seeks information regarding the project’s costs.

The information contained in this response includes commercially sensitive, confidential financial and proprietary information, which USS uses for competitive bidding, internal planning and business purposes, and which is vital to its operations and interests. Further, public disclosure of this information would harm USS’s ability to effectively engage in the highly competitive solar market by injuring its competitive positions. As such, USS considers this information to consist of trade secrets.

Compelling disclosure of this information would constitute an illegal mandate for disclosure of confidential and proprietary information which is protected under both state and federal law. *See*, 5 U.S.C. §552; Conn. Gen. Stat. §1-210(5).

Instead, USS would like to provide this information directly to the Council under seal, pursuant to the Council's instructions.

WHEREFORE, USS requests that any review or reference to the above-requested information be conducted pursuant to a Protective Order.

Respectfully submitted,

**USS TORRINGTON SOLAR, LLC,**

**WHEREAS**, the information contained in said materials provided in response to the Interrogatories contains confidential and proprietary business information of USS (“Confidential Information”); and

**WHEREAS**, disclosure of the Confidential Information would result in the disclosure of confidential, proprietary information to USS and thus harm its ability to compete in a competitive marketplace; and

**NOW, THEREFORE**, it is hereby agreed, that the following procedure is adopted for the protection of Confidential Information:

1. All Confidential Information provided by USS to the Siting Council in response to the Interrogatories will be governed by the terms of this Non-Disclosure Agreement (“Agreement”). The Agreement is applicable to all such Confidential Information, whether in hard copy or electronic, and whether in the form of notes, analyses, documents, transcripts, data, studies, computer tapes or discs, or oral communication.

2. Signatories to this Agreement agree to be bound by its terms and shall not use the Confidential Information except for purposes of evaluating USS’s proposed project in Petition 1596. All parties, including consultants, in receipt of the Confidential Information under

the Agreement shall maintain a written log of all individuals granted access to said Confidential Information. All persons granted access to the Confidential Information shall neither use nor disclose the Confidential Information for purposes of business or competition, or for any other purpose, other than for purposes of the evaluation of USS's submittals in Petition 1596 as contemplated herein and shall in good faith take all reasonable precautions to keep the Confidential Information secure in accordance with the purposes and intent of the Agreement.

3. If the Confidential Information is used in any manner in any interrogatory, letter, petition, brief or other writing ("Document"), then all reference to the Confidential Information in the Document shall be either:

- (a) in a separate document, prominently labeled "Proprietary Information," which document shall be safeguarded in accordance with a protective order to be issued by an applicable regulatory agency or court; or
- (b) solely by title or exhibit reference, in a manner reasonably calculated not to disclose the Confidential Information.

4. If the Confidential Information is used in any manner in any proceeding or during the course of a public hearing before a regulatory agency or court ("Hearing"), then the Hearing shall not be held before, nor any record of it made available to, any party, intervenor, or other person or entity not a signatory to this Agreement, other than as directed by that agency or court.
