Re: PETITION NO. 1598 – Windsor Solar One, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 3.0-megawatt AC solar photovoltaic electric generating facility located at 445 River Street, Windsor, Connecticut, and associated electrical interconnection.

Dear Ms. Bachman:

I am writing on behalf of my client, Windsor Solar One, LLC, in connection with the above-referenced Petition. In accordance with the February 9, 2024 memorandum the Council prepared in connection with this Petition, I am enclosing the original and fifteen copies of the following:

1. Visual simulations of the proposed facility from the west side of River Street, including locations with and without intervening trees.
2. A copy of the preliminary DEEP NDDDB determination letter received by the Petitioner.
3. A copy of the Phase I B Cultural Resources Survey and additional documentation related to cultural/historic resources.
4. Revised site plans that document the increase of the distance of the proposed facility from the northern property boundary.
5. An Acoustical Study confirming compliance with DEEP noise regulations.

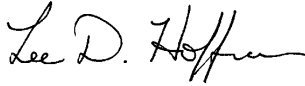

Electronic copies of these materials may be obtained by going to the following website:
