Dear Members of the Connecticut Siting Council:

This firm represents the Town of Windsor in connection with Petition 1598, Windsor Solar One, LLC for the proposed construction, maintenance, and operation of a 3MW solar facility at 445 River Street, Windsor, Connecticut.

The Town of Windsor respectfully requests that the Council hold a local public hearing in Windsor on Petition 1598 to give the Town and its residents an opportunity to address concerns about the project.

In addition, the Town joins in the attached request for a local public hearing filed by two Windsor residents.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,

Robert M. DeCrescenzo, Esq.
