Re: A proposed 996kW-AC ground-mounted solar photovoltaic facility to be located at 958 Route 163 in Oakdale, Connecticut

«GreetingLine»

On behalf of TRITEC Americas, LLC (“TRITEC”), I write to inform you that TRITEC intends to file a petition for a declaratory ruling (“Petition”) with the Connecticut Siting Council (“Council”) seeking the Council’s approval of the construction, operation, maintenance, and decommissioning of the above-referenced ground-mounted solar photovoltaic facility (“Project”). TRITEC is a developer of clean energy generating facilities in Connecticut and only selects potential sites that are environmentally responsible.

TRITEC expects to file the Petition with the Council by early summer 2023. This letter serves as notice to you, as a property owner, of the anticipated filing in accordance with § 16-50j-40 of the Regulations of Connecticut State Agencies. Once filed, you may review the Petition at the Council’s office located at 10 Franklin Square, New Britain, Connecticut 06051, or on the Council’s webpage at <https://portal.ct.gov/CSC>. You may also contact the Council directly by phone at (860) 827-2935.

Additionally, on May 11, from 6:00pm to 7:00pm., TRITEC is hosting a virtual project outreach meeting to provide you and other property owners with information about the Project. If you would like to attend the meeting, please e-mail Associate Attorney Dylan Gillis at dgillis@michaud.law at your earliest convenience.

Please feel free to contact me if you have any questions.

Very truly yours,

Paul R. Michaud
