

Glastonbury Solar One

Re: Glastonbury Solar One

Current Resident:

I am writing to introduce you to Glastonbury Solar One, developed by Verogy, a West Hartford-based renewable energy developer focused on operating Solar Farms for municipal and commercial clients. Our team has decades of experience in the development, financing, construction, and management of solar energy projects. We are currently pursuing a new solar project in Glastonbury. In addition to this letter, you will receive an official notice from our attorney that indicates our intent to file a petition with the Connecticut Siting Council.

The proposed project, Glastonbury Solar One, is located at 17 Wickham Road. The project's design calls for a 3-megawatt system located on approximately 15 of the parcel's 47 acres. Once completed, Glastonbury Solar One is projected to generate enough energy to power 778 homes for a year, while generating zero pollution or carbon emissions. Shared Clean Energy Facility (SCEF) projects such as this one result in credits applied to the bills of participating electric customers at no cost to them. Subscribers include low and moderate-income customers, as well as small business & municipal customers. The cumulative annual benefit to these customers is estimated to be \$140,000. Additionally, Glastonbury Solar One will be an economic contributor to the town, generating new property tax revenues and creating jobs in the region. We are also actively working with the CT Department of Agriculture to receive approval to employ sheep grazing within the fenced limits of this solar array to assist with vegetative maintenance of this facility.

Enclosed is a fact sheet with additional information and we have established a project website (www.verogy.com/glastonbury-solar-one) which will be updated with the latest project information and available as a resource for you throughout this process. We hope you let us know if you have any comments or questions through the Contact Us section at the bottom of the page. We are looking forward to investing in Glastonbury and appreciate your feedback as we finalize our proposed project.

The Verogy team looks forward to connecting with neighbors as we work to develop Glastonbury Solar One. If you have any questions, please feel free to reach out.

Sincerely,

Bryan Fitzgerald
Co-Founder, Director of Development
Verogy | 124 LaSalle Road, 2nd Floor, West Hartford, CT 06107

Glastonbury Solar One

PROJECT DESCRIPTION

- Glastonbury Solar One is a solar project located on Wickham Street in Glastonbury, Connecticut
- The 3 MW AC system will generate enough electricity to power 778 average homes for a year
- The project site is designed to have minimal environmental impacts with no disruption to wetlands or core forest

BENEFITS TO GLASTONBURY

- Increased new annual municipal tax revenues with no additional burden on town services
- Infrastructure upgrades that improve the reliability of Glastonbury's electrical grid
- Reduction in energy demand during peak usage will decrease energy costs for ratepayers statewide
- Strengthened renewable energy resources that produce electricity locally with zero pollution

ACHIEVING THE 100% ZERO CARBON TARGET BY 2040 & ENVIRONMENTAL BENEFITS

- As a Class I Renewable Energy Source, Glastonbury Solar One will help support the goals set forth in Governor Lamont's September 2019 Executive Order No. 3 100% zero carbon target for the electricity sector by 2040
- Once operational, the project will offset the equivalent of 3,998 metric tons of CO₂ annually, equal to the emissions from 449,824 gallons of gasoline consumed, or to the carbon sequestered by 66,100 tree seedlings grown for 10 years
- Shared Clean Energy Facility (SCEF) projects will result in credits that will be applied to the bills of participating electric customers at no cost to those customers. Subscribers include low-income customers and moderate-income customers, as well as Small Business & Municipal Customers
- When completed, the project will use an estimated 17 acres out of a total 47 acres, leaving the balance of the parcel to continue its prior land use characteristics

APPROVAL PROCESS

Verogy requires approval from the Connecticut State Siting Council, who has jurisdiction over projects like Glastonbury Solar One. We will also be working closely with municipal departments in Glastonbury throughout the development of this project. Glastonbury Solar One will also obtain a General / SWPP Permit from CT DEEP.

**FOR MORE
 INFO ON THIS
 PROJECT:**

SOLAR ENERGY 101

1. Solar panels collect energy from the sun.
2. Inverters convert DC electricity to AC electricity.
3. Electricity is delivered to the circuit that connects to the substation through utility infrastructure.
4. Power is delivered to residential and business consumers through the local grid.

ABOUT VEROGY

Verogy is a Connecticut-based solar developer focused on commercial, industrial and small utility scale projects. Built on 75+ years of combined industry experience, the professionals at Verogy have developed, financed and constructed hundreds of solar projects across the United States.

Re: **VCP, LLC d/b/a Verogy, LLC – Glastonbury Solar One, LLC, Proposed Solar Voltaic Power Generating Facility at 17 Wickham Road, Glastonbury, Connecticut**

Dear Attorney General Tong:

Please be advised that this firm represents Verogy, LLC and Glastonbury Solar One, LLC. This letter is being sent to inform you that Glastonbury Solar One, LLC intends to develop a 3.0-megawatt ground-mounted solar photovoltaic electric generating facility on a 15-acre portion of the 46.96-acre Catholic Cemetery Association parcel at 17 Wickham Road in Glastonbury, Connecticut (“Property”).

In connection with this proposed project, Glastonbury Solar One, LLC will be filing a Petition for Declaratory Ruling with the Connecticut Siting Council on or after December 15, 2023 seeking the Council’s approval of the solar project at the Property.

Once filed, a full copy of the Petition will be placed on file at the Glastonbury Town Hall for your review. In addition, an electronic copy of the Petition will be available on the Siting Council’s website at www.ct.gov/csc/. Should you have any further questions or concerns regarding this matter, please contact me or the Connecticut Siting Council.

Sincerely,

Kenneth C. Baldwin

Dear Commissioner Eucalitto:

Please be advised that this firm represents Verogy, LLC and Glastonbury Solar One, LLC. This letter is being sent to inform you that Glastonbury Solar One, LLC intends to develop a 3.0-megawatt ground-mounted solar photovoltaic electric generating facility on a 15-acre portion of the 46.96-acre Catholic Cemetery Association parcel at 17 Wickham Road in Glastonbury, Connecticut (“Property”).

In connection with this proposed project, Glastonbury Solar One, LLC will be filing a Petition for Declaratory Ruling with the Connecticut Siting Council on or after December 15, 2023 seeking the Council’s approval of the solar project at the Property.

Once filed, a full copy of the Petition will be placed on file at the Glastonbury Town Hall for your review. In addition, an electronic copy of the Petition will be available on the Siting Council’s website at www.ct.gov/csc/. Should you have any further questions or concerns regarding this matter, please contact me or the Connecticut Siting Council.

Sincerely,

Kenneth C. Baldwin

Re: **VCP, LLC d/b/a Verogy, LLC – Glastonbury Solar One, LLC, Proposed Solar
Voltaic Power Generating Facility at 17 Wickham Road, Glastonbury, Connecticut**

Dear Property Owner:

Please be advised that this firm represents Verogy, LLC and Glastonbury Solar One, LLC. This letter is being sent to inform you that Glastonbury Solar One, LLC intends to develop a 3.0-megawatt ground-mounted solar photovoltaic electric generating facility on a 15-acre portion of the 46.96-acre Catholic Cemetery Association parcel at 17 Wickham Road in Glastonbury, Connecticut (“Property”).

In connection with this proposed project, Glastonbury Solar One, LLC will be filing a Petition for Declaratory Ruling with the Connecticut Siting Council on or after December 15, 2023 seeking the Council’s approval of the solar project at the Property. You are receiving this notice because your property abuts the Property.

Once filed, a full copy of the Petition will be placed on file at the Glastonbury Town Hall for your review. In addition, an electronic copy of the Petition will be available on the Siting Council’s website at www.ct.gov/csc/. Should you have any further questions or concerns regarding this matter, please contact me or the Connecticut Siting Council.

Sincerely,

Kenneth C. Baldwin

Please be advised that this firm represents Verogy, LLC and Glastonbury Solar One, LLC. This letter is being sent to inform you that Glastonbury Solar One, LLC intends to develop a 3.0-megawatt ground-mounted solar photovoltaic electric generating facility on a 15-acre portion of the 46.96-acre Catholic Cemetery Association parcel at 17 Wickham Road in Glastonbury, Connecticut (“Property”).

In connection with this proposed project, Glastonbury Solar One, LLC will be filing a Petition for Declaratory Ruling with the Connecticut Siting Council on or after December 15, 2023 seeking the Council’s approval of the solar project at the Property. You are receiving this notice because your property abuts the Property.

Once filed, a full copy of the Petition will be placed on file at the Glastonbury Town Hall for your review. In addition, an electronic copy of the Petition will be available on the Siting Council’s website at www.ct.gov/csc/. Should you have any further questions or concerns regarding this matter, please contact me or the Connecticut Siting Council.

Sincerely,

Kenneth C. Baldwin
