Subject: RE: CSC Petition 1603

Attorney Bachman, the Council on Environmental Quality (Council) notes that the public comment period deadline for Petition 1603 is scheduled for January 14, 2024; however, the Connecticut Siting Council has determined that the Petition is incomplete and has recommended that the Petitioner “provide 15 hard copies; and supporting documentation on or before January 19, 2024”. The Council might submit comments in this proceeding depending, in part, on the information provided by the Petitioner. Consequently, the Council requests an extension of time for public comments regarding Petition 1603.

Please let me know if you have any questions.

Thank you in advance.

Best regards, Paul.
