RE: **PETITION NO. 1607A** - Hanwha Q CELLS America, Inc. petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.0-megawatt AC battery energy storage facility located at Parcel No. 95-F10-247-5 and 95-F10-247-5A, 163 State Pier Road, New London, Connecticut, and associated electrical interconnection. Reopening of this Petition based on changed conditions pursuant to Connecticut General Statutes §4-181a(b). **Petitioner Update re: Updated Site Plans and Emergency Response Plan**

Dear Attorney Bachman:

I am writing on behalf of my client Hanwha Q CELLS America Inc. ("HQCA" or "Petitioner"). HQCA is currently working on updating the Petition No. 1607A Exhibit B – Revised Site Plans to reflect the changes to the point of interconnection and the proposed path of interconnection discussed in Petitioner's September 23, 2025 responses to Council Interrogatory Nos. 9.b-14. Petitioner will submit such updated site plans to the Connecticut Siting Council ("Council") for its review as soon as they are finalized.

Petitioner also continues to work with its fire response organization partner, Fire & Risk Alliance, on an updated emergency response plan ("ERP") and will similarly submit a working draft of such ERP to the Council for its review as soon as the working draft is completed.

Please do not hesitate to contact me with any questions or concerns regarding this correspondence.

I certify that copies of this correspondence have been sent to all parties on the Service List as of this date.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark J. Cook".

Mark J. Cook, Esq.
