Summary of Greenskies contact with Trudi Bright 11-7-23.

Ms. Bright, the one of the named abutters of 1279 Arbutus Street reached out via phone call. On the call she inquired about the Project. Her concerns revolved around the visibility of the project regarding her property. Greenskies responded that since her property is to the North of the project site minimal tree clearing would occur outside of what is required for construction and shading. Ms. Bright then inquired about the size of the project, and the height of the panels. A description of the Project that matches what is detailed in the Siting Council Petition was provided.
